

Happy Birthday to us! We realised that we have been **The Busy Bees** for 5 years now, and wanted to celebrate! So we've booked Viv's son Tim to come back to entertain us in The Ropemakers on Thursday May 9th. It'll be a fun night, so make sure you're there!

we have merged all our advice sessions, so that you can come along with any queries you have, including questions about your phone or computer - parent and carers also welcome! We'll have a chat and help if we can, or support you to get help from somewhere else if you need it. Advice Shop is in the pub, but if you have personal things to discuss, we will arrange somewhere private to meet you.

Once we've got all your feedback on Busy Bees, we can bring back Bee in Touch for some computer and phone sessions, if that is what you want! There is so much online now, that you might find it's really fun and helpful to know how to use the internet. If you use Facebook, please **Like** and **Follow** our page - Bridport Busy Bees. On our Facebook page you can find out when our events are on, read about things you might find interesting, see our pictures and share yours! If you're not sure about computers, come along to our advice sessions for some help.

 ?? **One-stop Advice Shop** 

Are you finding it hard to get regular help with things like money, or do you need advice or help and don't know where to go? We will listen and help if we can, or we'll support you to get the help you need.
